

兔抗 PITPNM1 多克隆抗体

中文名称：兔抗 PITPNM1 多克隆抗体

英文名称：Anti-PITPNM1 rabbit polyclonal antibody

别 名：Rd9; NIR2; RDGB; DRES9; RDGB1; RDGBA; PITPNM; RDGBA1

相关类别：一抗

储 存：冷冻（-20℃）

宿 主：Rabbit

抗 原：PITPNM1

反应种属：Human, Mouse, Rat

标记物：Unconjugate

克隆类型：rabbit polyclonal

技术规格

Background:	PITPNM1 belongs to a family of membrane-associated phosphatidylinositol transfer domain-containing proteins that share homology with the Drosophila retinal degeneration B (rdgB) protein.
Applications:	ELISA, IHC
Name of antibody:	PITPNM1
Immunogen:	Fusion protein of human PITPNM1
Full name:	phosphatidylinositol transfer protein, membrane-associated 1
Synonyms :	Rd9; NIR2; RDGB; DRES9; RDGB1; RDGBA; PITPNM; RDGBA1
SwissProt:	O00562
ELISA Recommended dilution:	1000-2000

IHC positive control:	Human thyroid cancer and human cervical cancer
IHC Recommend dilution:	25-100
